

TOP TEAMS OF THE YEAR

2024

The ANA is committed to growth and excellence, shining a light on the teams that drive industry success—our champions of growth.

This year, we tally the achievements of every team across the ANA Awards programs, starting with the REGGIE Awards, as we continue to announce award winners for the In-House Excellence Award, B2 Award, and Multicultural Excellence Award, the count will be updated accordingly.

The annual rankings highlight the teams that stood out, representing those who received the most ANA award wins during the year. The final list of top teams is unveiled at the ANA's Masters of Marketing Conference.
